| Comments | <p>Last week, the updated parking ordinance was approved. My HOA in Granite Bay was one of the communitites making a request to restrict parking during shool drop off / pick up during the school year. We realized when reviewing the aganda item packet that the after school no parking time was 1-3pm. However the school causing the parking / traffic issues changed their school time to release students at 3:30pm this year. We would like the no parking time pushed to 1-4pm, otherwise, the restriction will not address the problem we are having.</p> <p>I apologize for the inconvenience, but we had started this process last year with our HOA managment company and were aligning our request ot other signage in the community that was in place before the school time changes, and it was not corrected before it got to the Board last week.</p> <p>I would hate to waste the County (and Board's) time & money to have the signs produced with "1-3pm" only to have to petition to have them replaced with "1-4pm" signage.</p> <p>Can that be updated before anything is produced and installed? Thank you, Brian Patterson</p> |
